MEMORIAL DAY MAY 25, 2015

Memorial Day is a day to remember the many veterans and their families who have served our country to protect our freedoms.

At the 28th Annual Memorial Day Ceremony we gathered to honor those veterans at Melvin Price Park., which is a Memorial Park. So many residents from Swansea have given their time to protect us and our freedoms, the ceremony is the least we can do for them.

It is always an honor to have the veterans with us on this day. The stories and experiences we hear from the veterans are breath taking. The efforts they made to do their jobs in the service were tremendous. We were honored to have so many veterans who had served including veterans from WWII at the ceremony. Each year we have many veterans, active service members and families with us. Each year the list of Swansea residents who are active members and veterans grows.

This year we had the Westview Baptist Church Worship Team provide the inspiring music for the ceremony. Deacon Art Hampton (U.S. Marine Corps 1976-1986) from Holy Trinity Catholic Church was the Guest Speaker. Roger Relfe (Squadron Leader, Royal Air Force, Retired 18 years +) was the Master of Ceremonies. The Colors were presented by the 126 Air Refueling Wing Color Guard lead by Staff Sgt. Jason Soles (U.S. Air Force Air National Guard) a Swansea resident. Each and every one of the participants added to the ceremony. **(see additional pictures on page 11)**

SWANSEA WELCOMES NEW POLICE CHIEF

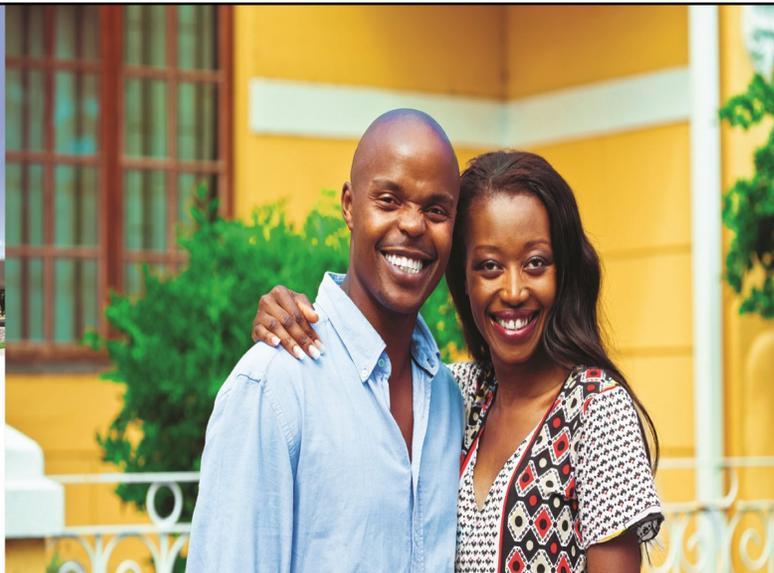

On June 18th Steve Johnson was appointed as the new Police Chief. Steve was appointed to replace retiring Police Chief Mike Arnold. Mike had been Chief for the last 8 years and had been a police officer with Swansea since 1985! We thank Mike for his dedication and service to the residents of Swansea and wish him well in his retirement! Steve has great experience coming to us with over 24 years working for St. Clair County Sheriff's Department and most recently several years working for the State's Attorneys Office. We also welcome Steve and his family to Swansea.

SWANSEA'S AGGREGATED ELECTRIC CORRECTION TO APRIL 2015 SWANSEA REPORT

The Municipal Electric Aggregation program is open to all residential and qualified small businesses in Swansea. The initial aggregation program expires in June 2015. Aggregated Electric is a fixed rate of .05569 to cover the "Electric Supply (BGS-1)" portion of your electric bill. This is a fixed rate Swansea has negotiated with Homefield Energy that runs from June 2015 through June 2018. This is the second agreement between Swansea and Homefield Energy. The first ran from August 2014 through May 2015.

Here is the correction to the April 2015 article: If you opted-out on the first agreement you will not be receiving a letter from Homefield Energy informing you of your choice to participate in the program with the negotiated fixed rate of .05569 for 36 months. You are already opted-out. However, if you wish to participate in the program you may do so now, or at any point in the future. Please contact Homefield Energy at 866-694-1262, or send an email to CustCare@Dynergy.com, or go to <http://www.homefieldenergy.com/residential/municipal-aggregation/communities-we-serve/community-detail/opt-in.php> to enroll. It is suggested that you watch your Electric Supply (BGS-1) rate and compare.

The following is the Solid Waste and Recycle Volumes for the Village for the month of May:

Curbside trash pickup – 213.08 tons
Curbside recycle pickup – 81.29 tons
Diversion rate – 27.6%
Yard waste pickup – 62.44 tons

Republic Services offers curbside recyclable pickup, and in doing so, offers an incentive to the residents of Swansea to recycle at no cost. If a resident chooses to put recyclable items in the trash can, they will be paying to have these items picked up.

Swansea residents are obviously making a bold, conscious effort to recycle. The Elected Officials and Staff of the Village applaud your diligence in recycling. Keep up the great work. The future generations will thank you as well.

SWANSEA ROTARY AWARDS SCHOLARSHIPS Chad Wood Memorial Scholarships

The Rotary Club of Swansea announces the recipients of the 2015 Chad Wood Memorial Scholarships. The scholarships are made possible through the Annual Service Above Self 5K that was held on May 30, 2015. "We are proud to support the educational opportunities of our community's future leaders" said Jim Riess, President of the Rotary Club of Swansea.

The year's 5K allowed for (3) three \$1,500.00 scholarships to be awarded to deserving high school seniors residing in the Village of Swansea. A committee of Rotarians reviewed the applications to select the scholarship winners. "All of the applicants were outstanding students, and picking three was no easy task", said Riess. "We congratulate each recipient, and wish continued success to each applicant."

This year's recipients are: Danielle Miller, graduate of Belleville West High School. She is the daughter of Doreen and Scott Miller. She will be attending The University of Illinois; Connor Henrichs, graduate of Belleville East High School. He is the son of Karen and Ed Henrichs. He will be attending Southern Illinois University at Edwardsville; and Mary Lawder, graduate of Althoff Catholic High School. She is the daughter of Shawn and Mike Lawder. She will be attending Truman State University.

The Chad Wood Memorial Scholarship was created to honor the memory of Chad Wood, who passed away unexpectedly on May 8, 2005. Chad was a fine student, superb athlete for Belleville East Lancers, and was a devoted and loving son to his parents, Penny and Ray Wood. Ray Wood was the Charter President when the Rotary Club of Swansea was formed in 2002. In 2005, the Scholarship program was renamed to the Chad Wood Memorial Scholarship in hope to perpetuate Chad's memory and commemorate the wonderful gifts he shared with the many lives he touched.

Fireworks Safety Facts

Fireworks are illegal in Illinois without a permit.

For the best possible fireworks safety, leave these dangerous devices to professionals. Attend licensed public fireworks displays.

Sparklers, smoke devices, glowworm pellets and other devices are legal, but dangerous to children.

Abide by all laws pertaining to fireworks. Always read and follow fireworks' directions.

Do not use fireworks near dry grass or near flammable or combustible materials.

Fireworks are not toys. Never point or throw fireworks at another person

Never attempt to re-light or fix fireworks that have not gone off.

Many fireworks are designed to burn hot and/or explode. Sparklers, which many people regard as harmless, burn at temperatures of up to 1,200 degrees Fahrenheit (982 degrees Celsius).

Keep at a safe distance from fireworks' staging areas.

Matches are tools and not toys. Children should never play with matches and should especially never use them to light fireworks.

Tips are from the Office of the Illinois State Fire Marshal
